

Wanted for

Animal Abuse

NOAV (National Operation Anti-Vivisection) is willing to pay £££ for info about students doing experiments on animals in your Uni as part of their academic program!

Good info = good money!
Earn some beer money!

We need:

- Names of vivisection students
- Pictures of vivisection students
- Addresses, phone numbers and email addresses of vivisection students (so we can make polite contact about alternatives to animal research)
- Pictures and/or summary of the animal experiments the students are involved in.

We will require proof of any info before any pay out will be made.

Email: info@noav.org
